

This page must be signed and returned with your application.

1. Read the separate application form from the Governor's office. It is the form titled "Ted Strickland, Governor, State of Ohio, Department of Boards and Commissions Questionnaire."
2. Decide if you will be able to complete this form if Council decides to recommend to Governor Strickland that you be appointed. If the DD Council selects you for an opening, you will be required to complete the Governor's form in September.
3. Sign this page and return it.
- 4. Do not fill out the Governor's form now. The Governor's office will want it to be dated and notarized in the fall.**
- 5. Keep the form to fill out later (if you are recommended for Appointment).**

Statement:

I have reviewed Governor Strickland's form. If the DD Council decides to submit my name to the Governor for appointment, I will fill it out, sign it and have it signed by a Notary Public at that time. I do not have any concerns that will keep me from signing it.
