AGENDA

Call meeting to order/Chairperson

Introduction of Attendees

Approval of May 2, 2019 Outreach Minutes

Comments/Remarks---- the Outreach Committee’s goal is to reach unserved/underserved populations that are required by the Federal Government’s Performance activities that is provided to all councils. This goal is the challenge of this committee, where other committees might not pursue such targeted populations. All effort in this area is for the purpose of serving those with a developmental disability as the primary focus in communities. All grantees are required to pursue Outreach activities as a part of their grants and should be monitored by staff to see if these activities can assist with performance program requirements. All committees can pursue unserved populations along with their mainstream grant targets.
