**Agenda Item 1 Paul Jarvis Presentation**

Paul came to the Outreach Committee discussing the progress of the Data and Policy Research grant established by the Public Policy Committee. This initiative was initially suggested by the Outreach committee. The substance of this grant revolves around a person's race. Medicaid program to determine if a person's race comes into play through data and service.

Paul found that as he pursued to update the activity of this grant, he learned through the organization who managed the project was that the grant no longer existed. And no one had informed Paul that the grant was eliminated. The information was given to him the day before he was to give his presentation. There was no update was available.

**Agenda Item II Kim Crishbaum Presentation**

Kim Crishbaum presented to the Outreach Committee the project of creating an Outreach section on the Council Website. The section will

Target outreach subject matter that will address unserved/underserved populations, as well as strategies and approaches to reach those specific groups. It will speak on topic concerning diversity and inclusion, cultural linguistic competence, as well updating our printed materials. It will also include video by our council and links to other council information that is also an opportunity to observe what other councils are doing. The outreach section is placed on the home page of our website so that you can be directed straight to outreach information. The project is an ongoing process with items constantly being added. The section is currently up and running

**Additional comments**---further discussions took place concerning the Down Syndrome Organization attending an Outreach Committee meeting in the future. Also, some of our council members participating in the Annual Tim Tebow Foundation's "A Knight Too Shine" event. An event that is simultaneously performed in cities across the country for People with Disabilities who did not get the opportunity to attend their Prom after school. Another conversation of interest was the upcoming LGBTQ presentation in the May outreach meeting, which will be of interest to members of council, and people outside of the council organization. Lastly, another topic of "Sex in the Disabled Community" was asked to be discussed in future Outreach meetings.

**No further business.**

Move to adjourn the meeting---Michael Richards, seconded by Rochelle Rollins

**Meeting adjourned 12:55**
